

WELCOME

Dear Friends and colleagues,

It is with a great pleasure that we invite you all to the Second Annual Lebanese University Medical Graduates Multidisciplinary conference on July 19th and 20th.

For the second year, more than thirty local and international speakers, all graduates of the Lebanese University, will be proudly and voluntarily presenting on different topics covering the field of oncology, urology, pulmonary medicine, gastroenterology, endocrinology, pediatric, surgery and medical subspecialties.

Students and graduates will be presenting their research and will discuss career opportunities during parallel round-table networking sessions.

We are confident that this educational and networking opportunity will open new doors to many, and looking forward to meeting every single one of you!

Pr Boutros YARED
Dean of the Lebanese University,
Faculty of Medical Sciences

Fadlallah HABR, MD.
Conference Chair

COMMITTEE

Organizing Committee
