Implementation Plan

How do you plan to implement this proposal?

- **Planning & Preparation:** Finalizing project details, securing approvals, and coordinating with the NGO for booth construction.
- **Content Development:** Creating simplified IHL content, multimedia materials, and QR code integration.
- **Booth Construction & Setup:** Assembling the booth, ensuring accessibility, and installing the digital display.
- **Website Launch & Testing:** Uploading content, testing QR codes, and ensuring functionality.
- **Promotional Campaign:** Announcing the project via university emails, social media, and faculty networks.
- **Project Launch:** Official opening of the booth, engaging students and faculty.
- **Monitoring & Evaluation:** Tracking QR code usage, gathering feedback, and assessing impact.

ually engaging space dedicated to
eractive and up-to-date information
manitarian challenges, and real-world
ness among all university students,
s.
sustainability of IHL education
aining knowledge hub.

<https://www.redcross.org.lb/>

Objectives

- Establish a fixed, visually engaging space for IHL education.
 - Provide interactive and up-to-date information on IHL principles, humanitarian challenges and applications.
 - Raise awareness among all university students, not just law students.
 - Ensure the sustainability of IHL education through a self-sustaining knowledge hub.
